

Pre-Construction Notice: Brock Street West Reconstruction, Township of Norwich

The Township of Norwich is planning a road reconstruction project on Brock Street West. This letter provides some details and important information about the project and what to expect.

Public Information Centre:

The Township is hosting a Public Information Centre to provide an update on the project and share information on construction. We encourage you to join the drop-in style meeting to view construction plans, discuss impacts to your property and learn more about the project.

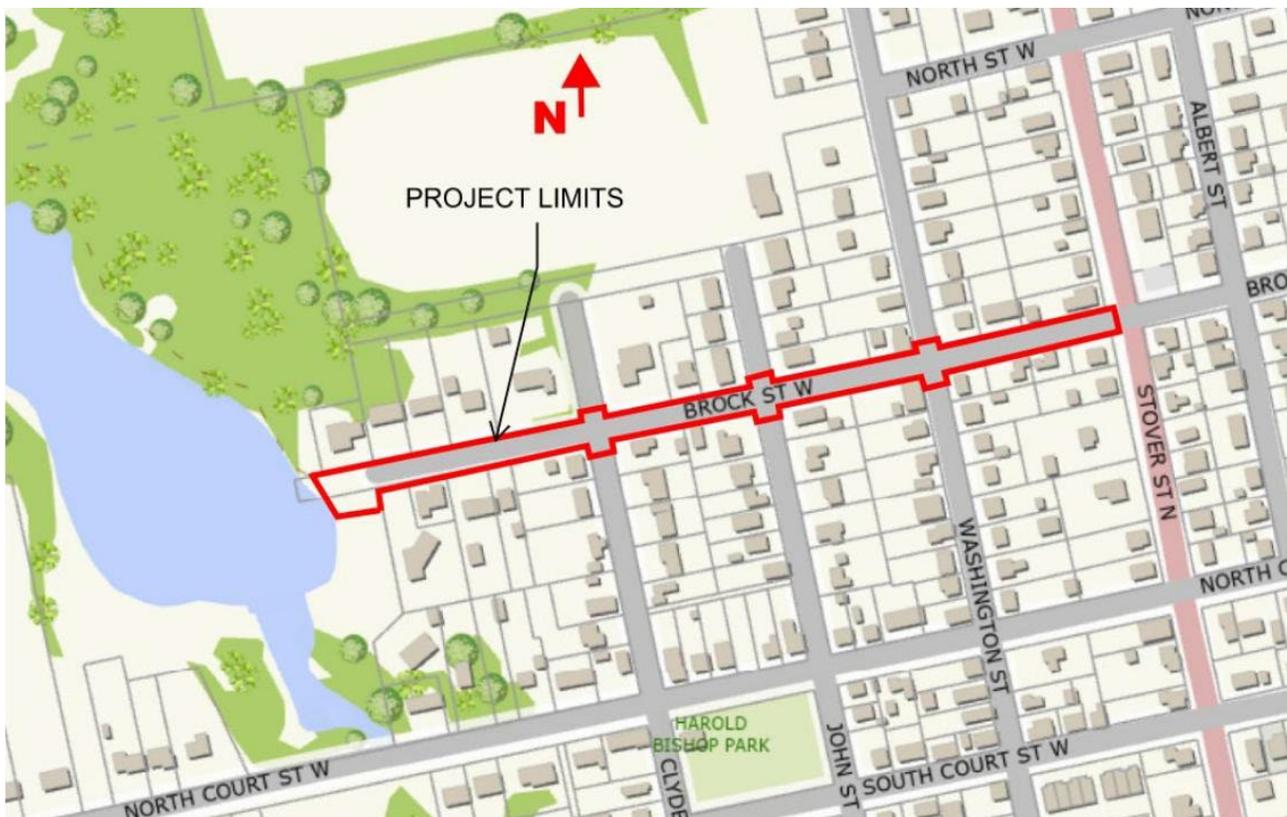

Date: Thursday, April 2, 2026

Time: 6:30 to 7:30pm

Location: Council Chambers, Township of Norwich Municipal Office,
285767 Airport Road, Norwich, ON, N0J 1P0

Project Location:

The map below identifies the approximate limits of the construction area:

Brock Street West Reconstruction, Township of Norwich – Pre-construction Notice

Proposed Scope of Work:

- Road reconstruction including new asphalt, curb and gutter.
- New sidewalk to be introduced on the north side of the street.
- Sanitary sewer replacement and private sewer service replacement to right-of-way limit.
- Watermain replacement and private water service replacement to right-of-way limit.
- Storm sewer replacement and grading and drainage improvements with new outlet.
- Introduction of private storm sewer connections stubbed to right-of-way limit for future connection by property owner.

Proposed Project Timeline:

- Pre-construction investigation and survey – Complete.
- Completion of design – Fall 2025 / Winter 2026.
- Construction tendering and construction – Spring / Summer / Fall 2026.

Contact information:

The Township is committed to keeping you informed during the entire project process. Please reach out to the Township Project Manager at any time.
